## Basketball Academy are South East Champions

Richmond upon Thames College travelled to Winchester last Tuesday to play in the South East regional qualification tournament for the British Colleges Sports Championship.

After a slow start Richmond worked hard and found themselves in the semi-finals where they met the host team, Peter Symonds College. Richmond played really well, gaining an early lead and beat Peter Symonds 27-13.

Richmond met Kingston College, their local rivals in the final and a strong start secured a 44 - 39 victory. Richmond will travel to Loughborough University in April for the BCS Finals weekend where they will compete against colleges from across the country.

## Results

### Basketball (Male)

## Self Esteem Through Sport with Brentford FC Community Trust

Brentford Community Trust are currently delivering sports sessions at RuTC involving students from RuTC, Richmond Adult Community College and Strathmore School.

St Mary's University students were also present at the session last week. They will be running future activities for the group as part of their PE in the Community degree.

Sixty students took part in indoor golf, curling and boccia. The local press attended last weeks session, resulting in an article in the Richmond and Twickenham times. The activities will continue throughout February.
