Paul started athletics at school aged 15 taking part in school sports day and PE lessons and he now competes for England and Great Britain. One of his sporting highlights has been winning the long jump Gold medal at the English Schools' Athletics Championships in July 2008. To date he has travelled to Spain, Ireland, Holland and France to compete. He was part of a RuTC team that won 3 trophies at the prestigious Achilles Relay (2009) in Oxford.

Paul was also a member of the Athletics Academy and was part of a very successful 4x100 m relay team who won many events, such as the Achilles Relay.

He started an Advanced Apprenticeship in Sporting Excellence Athletics in September 2008 with Skills Active.
