Alice Ancora Rowing

DOB: 08.03.91

Course: AS/A2 Levels in Fine Art, Italian, PE

Secondary School: Salesian College

Club: Maidenhead Rowing Club

Honours: National Championships

Alice started rowing at 8 when her mum joined a club and enquired about her starting. She was technically too young but due to her height they allowed her to start.

Her sporting highlights so far have been winning a gold at the JW16 event in the Belgium National Championships. She has competed in this event for the last four years winning a medal every time. Alice is now ranked in the top 10 in the country and will definitely be someone to watch out for at the 2012 Olympics.
